# OUR PHILOSOPHY

---

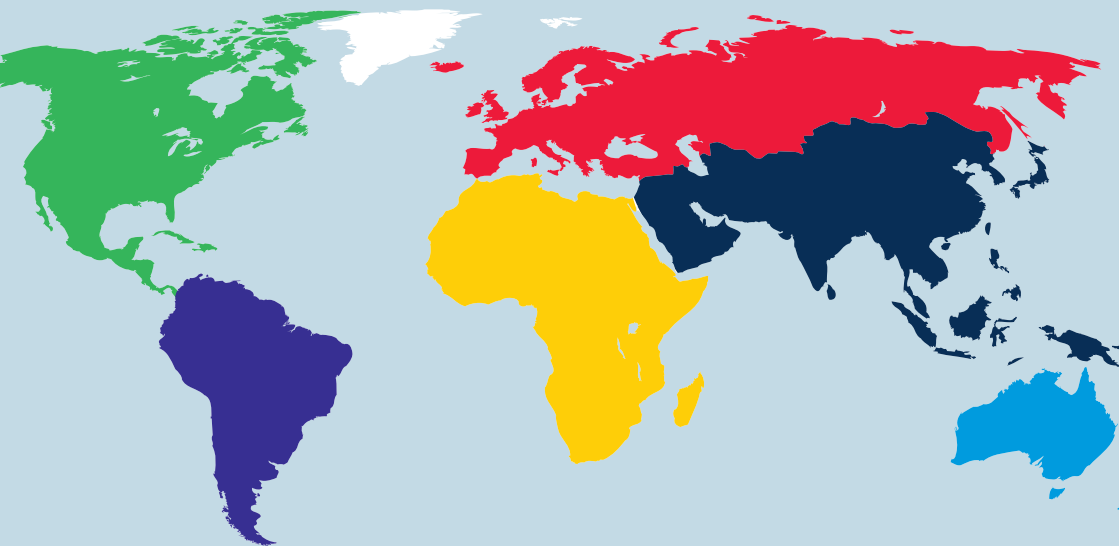

In soccer, 99% of clubs, players and trainers are active at the **amateur level**. They are the foundation for the success and popularity of the sport.

There are countless voluntary officials and helpers, who carry out their work with heart and soul and thus shape the structures of the clubs.

Countless players and trainers who pursue their passion week after week. Despite all their commitment, they never have a fair chance to experience something extraordinary, even just once, and to be rewarded for their efforts appropriately.

RIESPO would now like to offer you this opportunity and **is launching the Continental Cup.**

**NORTH AMERICA**

**EUROPE**

**ASIA**

**SOUTH AMERICA**

**AFRICA**

**AUSTRALIA**

# CONTINENTAL CUP EXPLANATION

---

With regard to the organization of the draw, RIESPO conforms with the six continents (without Antarctica). We now intend to select countries from these six continents annually, once or several times, depending on the number of participants. In the selected countries, we will draw teams that will represent their country as an „Amateur National Team“ in succession.

**First step:** Selection of continents and assignment  
(e.g., Europe versus Asia)

**Second step:** Selection of the country or countries that will represent the respective continent  
(e.g., Europe-Austria : Asia-Japan)

**Third step:** Draw of host country and venue

As soon as these parameters have been selected, the applications of members and the draw of participants (players, trainers and voluntary club representatives) begins.

# THE „AMATEUR NATIONAL TEAM“

---

**25 people** will be selected to travel to the host country.

- 17 players
- 2 trainers
- 1 masseur or physio
- 5 voluntary club representatives (only one per club)

RIESPO will incur all flight and hotel costs, just as all participants will be provided with the necessary sports equipment by RIESPO.

It will be an **unforgettable trip** for everyone!

# TERMS OF PARTICIPATION

---

- registered with an Austrian club as an amateur
- primary residence Austria
- nationality allowing visa-free entry into host country
- RIESPO premium member
- written application including complete profile
- minimum age 15 years
